Library as Visual Workplace

**VISUAL WORKPLACE**
A Visual Workplace is a self-ordering, self-explaining, self-regulating, and self-improving work environment - where what is supposed to happen does happen, on time, every time, day or night - because of visual solutions.

~ Visual Workplace expert Gwendolyn D. Galsworth

**VISUAL MANAGEMENT**
Visual Management is a system that adds visual depth and consistency to an organization’s messages about its mission and goals. It does this by converting information about the company, its customers, and its performance into graphic displays which cannot be ignored.

~ Visual Management experts Stewart Liff and Pamela Posey

**THE SYSTEM**

4 Types of Visual Devices:
- Tell indicator
- Grab signal
- Limit control
- Success guarantee

5S of Visual Order:
1. Sort
2. Set in Order
